GOLDEN GATER

MAIL POST CARDS TO YOUR ASSEMBLYMAN

Vol. XXIV, No. 7 February 26, 1937 Friday

Assembly Votes On State Bill

Developments of the building campaign are pending word from Sacramento, according to Ed Cockrum. Thomas Maloney, San Francisco assemblyman will communicate with the strategy committee when the time arrives for the bill to come up on the floor for discussion and debate. It will be then that a committee from the college will be appointed to go to the capitol. This committee as stated before in the Gater will comprise from twenty to forty of the outstanding students in the college. Their purpose will be to give information to, and generally assist the different assemblymen.

Ed Cockrum stated that the post cards formerly on sale at the Co-op store were now being given away free of charge due to the generosity of an anonymous donor. These cards are to be sent to all the Senators and Assemblymen that can be reached in order to secure their vote for the bill when it comes up for vote. Cockrum emphasized once again the great importance of contacting these men through the mails. He pointed out that it might mean the difference between a new campus and an old one. The idea was utilized as the result of a suggestion from Senator Walter McGovern, who said he thought this was the most effective way of reaching and influencing these men.

Postals can be obtained from the Student Body office or from Ed Cockrum.

Frosh Hop Scheduled For Palace Gold Room

The Palace Gold Room will be the setting for the Frosh Hop, scheduled for March 13. The dance will be semi-formal with bids selling for $1.50. There are only 250 bids to be sold. Music will be furnished by Charles Horton and his orchestra.

In order that couples may dance more often together, numbers will be played between each scheduled dance. Arrangements have been made for an attractive lounge. No smoking will be allowed on the dance floor, but a lounge has been provided for this purpose.

Bill Ferem, president of the Freshman Class, states that the dance should prove a huge success, and that an early sell-out of bids is expected.

PERSONALITY contains 1307 other words. The 1937 Franciscan not only has more words but lotsa pictures.

President Roberts Given Honorary Dinner; Tenth Year As College Head

A dinner to honor Dr. Alexander C. Roberts on his tenth anniversary as president of San Francisco State College will be held at the Women's City Club on April 1.

The affair, under the joint sponsorship of the faculty of the College Alumni Association, Patrons Association, and Student Body, will be given as a tribute to the man who has been responsible for the steady growth and development of the college.

Eminent state and city officials, principals and teachers of all the schools in the bay area and presidents of all the other state colleges have been invited to attend the Decennial Dinner. Among the early acceptances is that of Dr. Walter F. Dexter, new State Superintendent of Public Instruction, who will make a short speech during the evening.

The keynote of the dinner will be "A State College in a Cosmopolitan City". Since Dr. Roberts has become president of the college it has doubled in enrollment, has become a co-educational institution, has become a liberal arts college with a curriculum commensurate with that status, has acquired a new athletic field and has gained nation-wide recognition in sports.

Alpha Phi Gamma Plans Miniature World's Fair

Sometime early in April, Alpha Phi Gamma, State's journalistic fraternity, will present a comic take off on the coming Golden Gate Exposition. The scene will probably be the Women's Gym and admission prices will be remarkably low, according to reports from the fraternity.

Hobbies of individuals, club projects, class exhibits are some of the few things listed to appear as a part of the "World's Fair Parody". William J. J. Smith has been appointed chairman and he will be assisted by Howard Demeke and Erwin Bischoff as co-chairmen. Bob Barry will handle tickets; Bob Chamberlin, publicity; Bill Rose, concessions; Nadezda Lawrence, entertainment; Cliff Worth, decorations; Nola Keller, contacts; Kay Buckley, programs, and Dave Schutz, arrangements.

Chairman Smith said, "We will try, on this event, to eclipse anything we have yet attempted in scope. All clubs, classes, bodies, faculty members, and individual students will be given an opportunity to compete for a prize to be awarded to the organization or individual that submits the best exhibit. This prize will probably be a cash one of attractive size."

There will also be an award given for the most tickets sold by any organization or individual. This prize may be a cup similar to the one given at last term's Chicken's Ball.

Complete and definite plans for the affair have not yet been made. The date has been set tentatively for April 7th. Tickets will be on sale about March 15 and blanks for sign ups will be available about the same time. All interested persons or clubs are asked to contact Will Smith, Howard Demeke, or one of the fraternity officers. Further announcements will be made later in the Golden Gater.

Dramatists Present "Whole Town's Talking" Tonite In Auditorium

Culminating weeks of extensive rehearsing, College Theatre will launch "The Whole Town's Talking" tonight at Frederic Burk Auditorium. Curtain call will be at 8:15 promptly and all seats are reserved.

This is the first production to go on the boards this semester and if plans materialize another play will be presented later in the term. Tickets will sell at 40c.

Directed by the veteran Miss Jessie Casebolt and headed by a cast comprised almost wholly of newcomers to State's dramatic group, "The Whole Town's Talking" briefly is a farce dealing with a middle-aged business man, J. W. Gallagher, who trys to promote a marriage between his daughter and his business partner, Herb Vecki.

When he gathers pictures of a famous Hollywood star to build up Vecki, the family finds the pictures and his partner suddenly become popular. Everything runs smoothly until the star makes an appearance in town. From here on the action becomes faster, until in the last act when the star's fiancee enters and the climax is reached.

Included in the cast are J. W. Gallagher as Mr. Simmons, Sarita Canedo as Harriet Simmons, Isabel Schultzberg as Ethel Simmons, Herb Vecki as Chester Binney, Virginia Gildae as Letty Lythe, Leah Cheek as Lila Wilson, Elaine Burns as Sally Otis, Dorothy Person as Sadie Bloom and Gene Corbett.

"The Whole Town's Talking" was written by John Emerson and Anita Loos and enjoyed a record run on Broadway.

Veterans from last semester include Leah Cheek and Virginia Gildae.

Roy Laugeson Elected Low Junior President

At the meeting of the Low Juniors last Tuesday, Roy Laugeson was elected president by fifteen faithful followers of the class to succeed Shirlie Senk. Miss Senk became president at the resignation of Daryl Hopkins last term. No successful meetings have been held since early last term. The other officers elected were Ruth Bradley for vice-president, and Gladys Ketterin for A. W. S. representative. Betty Brown tied Sylvia Sadler for secretary-treasurer, so there will be a re-election at the next class meeting.

—o—

Knuth To Be Chairman of Music Conference

Dr. William Knuth has been selected Directing Chairman of the biennial conference of the Southwestern Music Educators Association that will be held in San Francisco March 22-24 at local hotels.

The convention will consist of approximately 4000 music educators and 600 high school students that will give demonstrations and concerts during the convention.

On March 22, the Music Federation and the Associated Students will give a dinner and dance to the visiting high school students. Leon Minear, president of the Music Federation, is in charge of all student activities concerning the convention.

Minear is cooperating with Miss Eileen McCall who is the Social Chairman of the convention.

—o—

NOTICE

Auditions for a series of San Francisco State broadcasts over the state-wide network of K. Y. A. will be held next Friday. Place and time to be announced later. Vocalists, novelty numbers, tap dancers, and a dramatic cast are needed.

California Hour Results Pending

No word has as yet been received concerning the winner of first honors on the San Francisco State program presented over "California's Hour" last Sunday at 7:15 p.m. Votes from all over the state are still arriving and have not been totaled.

On the strength of their performance Sunday in Los Angeles the "Jailbirds" Quartette was given an audition at K.F.R.C. last Tuesday to test their type of material for broadcast work. The station staff decided that some changes would have to be made before the group could go on the air. Nothing definite is in prospect for the future.

Ed Cockrum reports that all of the group were given the best of treatment by the officials of the Los Angeles station.

Oliver Pacini, accordionist; Ed Cockrum, the Quartette, Helen Louise Cox, Runar Stone, Carleton Peters, and Jack Martin appeared at various times on the program last Sunday in the order named. Cockrum made a brief address and presented Conrad Nagel, the master of ceremonies, with an honorary membership in the student body of the college. Runar Stone was interviewed by Nagel as the "One man track team".

Nagel then gave a dramatized and scored version of the history of the College.

—o—

Good Earth Star Heard In Lecture

"The truest version of Chinese Life to have made thus far", said Dr. Ching Wah Lee, editor of the Chinese Digest, in speaking of the film, "The Good Earth", in an interview following his lecture here February 24. Dr. Lee, a brilliant and gracious young man, appears in motion pictures for the first time as one of the three major characters in this film which deals with the life of the Chinese peasant during and following the last years of the Manchu dynasty.

In discussing China, its background and its condition today, Dr. Lee declared that he felt isolation and environmental influences to have been the strongest contributing factors in China's decline in cultural and scientific leadership.

Three years of exhaustive research work and the technical direction of General Tu, of China, were employed in order to secure accuracy of detail in the filming of Pearl S. Buck's sensationally acclaimed novel.

W. A. A. Equipment—Let's Respect It

Can Happen Here! The W.A.A., sponsors of noonday recreation is faced with a problem that only you, the student body, can answer. The service that the W. A. A. renders in supplying the college with noonday recreational activities should be taken into consideration more seriously. Your cooperation is asked in taking care of the expensive racquets, shuttle cocks, nets, the games and other supplies.

All equipment is graciously lent to the students by the W. A. A. The group would appreciate your cooperation and consideration of this equipment.

The purpose of noonday recreation is to create a friendly atmosphere among the college students and W. A. A. Failure on your part in taking care of the equipment will mean that this recreational hour will close. L. M. V. '39

—o—

Golden Gater Publication Dates

The staff of the Golden Gater wishes to clear up any questions held by the student body upon the erratic publication dates we have had the last few weeks.

The copy for an edition is edited and prepared for the printer two days previous to the publication date of the paper. Thus the Wednesday paper is edited on Monday; the Friday on Wednesday, and the Monday paper is edited on Friday. In this way, a school holiday falling on either Monday, Wednesday, or Friday, not only eliminates the paper for that day, but also the paper for the following publication date.

Complaints on the part of the students concerning the fact that the Golden Gater did not appear on the regular publication date are well grounded it is true. But owing to the fact that our paper is limited by certain unavoidable mechanical restrictions this sort of thing must happen and it is in no way the fault of the staff. M. R. W. '38

THE PREXY SEZ—

California's Hour is now over but the memory of the program will linger for many months with all State students. To say that it was one of the finest of the collegiate programs yet produced would not be stretching the truth.

So to all those performers let's all say "You did a mighty fine job for State."

* * *

Overhead—Two alumni talking—"Hearing State's program on California's Hour made me feel proud that I graduated from State."

* * *

Incidentally, those of the students who not yet sent cards to their Assemblyman regarding State's building campaign, may obtain them FREE of charge in the Student Body office.

Now Staters, will you deluge your Assemblyman with our postcards?

* * *

Beginning in March the State legislature will reconvene. At that time State's bill will be considered. What are you doing to make the legislators conscious of the fact that our bill must be passed in its entirety?

Work on the bill has been at a standstill during the legislative recess, but now, how about the interest of the college really coming to a focus and making itself felt by all interested parties?

State Students, are you behind your student officers in this fight? If so, let's start today and don't let up until we have those new buildings.

EXECUTIVE BOARD NOTES

February 15, 1937

The sixteenth regular meeting of the Executive Board was called to order by President Cockrum at 7:20. The roll was called and no one was noted absent. The minutes were approved as read. There were no communications.

COMMITTEE REPORTS

Mr. Demeke reported on the bids for the trophy case. The matter will be taken up under new business. Mr. Hopkins gave a report on the pins and will have a more definite report later. Miss Poulsen reported that all arrangements for the noon-day dance were made. Mr. Rees reported that there was no meeting of Delta Sigma. He was then asked to call one within the next two weeks.

OLD BUSINESS

The first matter to be taken up was that of Mr. Martin's expense account. A motion was made and seconded to grant Mr. Martin an expense account of $100 for photographic supplies. An amendment was then made and seconded to grant Mr. Martin an expense account of $50. Amendment passed.

NEW BUSINESS

Mr. Muldoon asked the Board's permission for the High Sophomores to hold a class dance at the St. Francis Hotel. He was asked to see Dean Ward.

Miss Poulsen reported that Dean Ward stated that all bids for State dances must be sold to students with a State Student Body Card. Mr. Ferem reported on the plans for the Freshman dance. He was asked to submit a written account of the dance. Mr. Peters asked whether or not the Low Freshmen had anything to say regarding the plans for the dance. After a lengthy discussion a motion was made and seconded that Mr. Ferem present the plans to the Low Freshmen class and if the plans are agreeable to them the officers of the Low Freshmen class are to be placed on the committee and to continue to act on that committee. Motion passed. In order to present any further misunderstanding a motion was made that the High Freshmen class manage the initial steps of the dance and when the officers of the Low Freshmen class are elected they be placed on the committee. Motion failed. A motion was then made that as a matter of policy, the plans of the Freshmen Dance be placed in the hands of the Executive Committee. Motion passed.

Miss Poulsen asked that the Board vote out $4.25 for the orchestra for the noon dance. As it is against the policy of the Board to vote out any money at the same meeting that it is requested, Miss Poulsen was asked to arrange

SPORT SCANTS

By Dave Schutz

Another great athletic season has gone into the records at State now that the basketball team has packed its bags for the last time this year. From a percentage point this casaba season has been one of the most successful ever enjoyed by a Gater athletic squad; fifteen victories in twenty contests for a percentage of .750, pretty good for a team which had two veterans at the beginning of the campaign.

Previous to this year's basketball team, the 1936 baseballers possessed the best record in the school, having won seventeen out of twenty-two games for a .757 average.

As one final tribute, let us pay our respects to those gallant gladiators of the hardwood court.

First comes the name of Cyril Atkinson, first string center for the past three years. Cy led the State scorers throughout the entire year, his height and natural ability being a great asset to the Gater cause. His cool, apparently unconcerned method of playing was one of the real factors of the season just ended.

Billy Hammond, scrappy, diminutive forward, comes next. Billy was without a doubt the hardest fighting player on the floor, it was his great floor game that was constantly keeping opponents on the defensive.

Bill Plutte, veteran guard, one of the two vets, was a great pillar of strength on defense, continually getting the ball off the backboard and passing out of danger to some opponent.

Kenny Wilkes, the three-quarter pint sized forward, whose fancy one handed shots and fighting tactics was one of the real inspirations for the squad.

Kenny Johnson, a substitute last year, got his first chance to shine this season. Johnson was one of the smoothest and hardest working players on the court, and it was his unexpected ability that really paved the way for State's swellest year.

Notch De Bisschop, rugged, scrappy, eccentric forward was one of Coach Dan Farmer's biggest worries. Notch really had the stuff, and poor Dan just had to let him play, as a result De Bisschop showed himself to be one of Farmer's biggest hopes for the coming campaign.

Hats off too to Martin Callum, a freshman with a world of ability. Joe De Phillips, another freshman at forward, "Slip" Madigan, a center who will easily step into Atkinson's shoes next year. Paul Whang, really a comer at guard, and Ed Luntz who will be making a strong bid for a guard post during the 1938 season.

Hats off to the whole bunch of you. And a barrel of orchids to Coach Dan Farmer for mentoring one of State's best athletic teams of all time.

Interclass To Start Cinder Year At Kezar

Tomorrow Marks Opening of 1937 Track Season; Newcomers Star

By Ed Smith

Comes tomorrow, providing Jupiter Pluvius doesn't cry, the Intramural tracksters will don their scanties and usher in the track season at Kezar Stadium, for the benefit or amusement of Dave Cox, Gater track coach.

Twelve Events

There will be competition for all sports in 12 events, the 100 and 220 yd. dashes; the 440, 880, 1 mile, and 2 mile runs; the 120 high and 220 low hurdles; the shot put; pole vault; and the broad and high jumps. Winners of 1st and 2nd places will receive ribbons, 5, 3, 2, 1 points will be awarded to the first four places respectively. The team having the largest number of points will have its name engraved on the bronze plaque in the Bookstore.

Last year Dick Hurst ran off with the individual scoring honors, having 27 markers to his credit. "Birdlegs" took four firsts, two seconds, and one fourth place, giving the Juniors the victory of the meet.

Cox Interested

Coach Dave Cox will be vitally interested in this meet, as this is his chance to garner new material and prospects for the coming track season. The future of the coming Gater cinder men hinges upon meets like this as the men get their first chance at competition against their own men, and thus creating a spirit that never dies for the rest of their lives.

Lee Leads Jayvees To Victory Over Ram 45's

George Mirande's 145 pounders had their revenge at Kezar Wednesday night when they smeared the San Francisco Junior College lightweights 35-27 as the preliminary to the varsity basketball contest.

Joe Lee, China's contribution to State's basketball squad, was high point man of the evening with eleven points, although he missed several close ones that would have made the score much higher.

George Bogdanoff played his usual steady game at guard, besides tanking several field goals. Ronnie English was forced to leave the game early due to an injured leg.

IMPORTANT NOTICE!

Course fees and Senior fees (diploma, credential, and placement) will be due and payable on MONDAY, MARCH 8. Individual bills will be sent to the students' post boxes.

GATER SPORTS

Diamond Contest Against California Bears Cancelled; Coeds To Have Participated

Due to inclement weather conditions, the San Francisco State-University of California baseball game, to have been played yesterday at Edwards Field in Berkeley, was postponed. The contest was to have been the Gaters' first intercollegiate game of the season.

Thursday, the day set for the game, was of special importance on the California campus, as the student body was celebrating Coeds' Day, and the baseball game was to have been part of the programme.

Seasonal rains spoiled last year's opener with the Bears also. Although the teams met and the game was played, the water-soaked diamond caused loose fielding and ragged base running, marring the contest considerably. State lost this game, mostly through lack of practice.

Because of the postponement of the San Mateo Junior College and California games, the Gaters have yet to meet a college team, although a tilt with the Santa Clara Frosh has been scheduled, weather permitting.

Next week the Gaters will meet only practice rivals, their next important contest being slated for Saturday, March 13, against San Jose State.

Baseballers Play Balboa Today In Practice Tilt

With the first team on the sidelines watching the proceedings, State's reserves will tackle the Balboa High School baseball squad at Roberts Field in an informal practice game which will probably last about six innings.

These workouts with the high school nines give Coach Hal Harden a chance to use inexperienced men who will be forced to take many of the veterans' places at the conclusion of the current season.

Balboa won the San Francisco High School championship last season and are expected to give the Purple second stringers a tough battle during the afternoon.

Coach Harden has said nothing about a starting lineup for the contest, but will probably lineup somewhat like this: George Maihlo will do the chucking; Charlie Iago, catching; Bill Rose, first base; Spider Turner, second base; Roy Wormell, short stop; Hal Wood, third base; Pat Bowers, left field; Dick Osborne, center field; Andy Gavron, right field.

Other possiblities are Dave Schutz, throwing; George Peters, right field; Dave Parker, field or pitcher, and anyone on the first squad that may be needed, if the going gets tough.

Diamond Series With Fresno Is Cancelled

San Francisco State's baseball team will have to do without its annual trip to Fresno this year, because of the drastic curtail ment of spring sports at Fresno State.

The journey was to have taken place March 25-27, with the Wildcat nine coming to the city on April 23-24, but it will be postponed until next season.

Attempts are being made to get a series with the University of Nevada so that the ball players will have one out of town jaunt to look forward to.

Gaters Split Two Game Series With Nevadans

Showing a complete reversal of form State's surprising basketball team trounced the University of Nevada last Saturday night at Kezar Pavilion 48-31 after dropping a close 38-33 decision the night before at the Civic Auditorium.

Sparked by the appearance of Fighting Notch De Bisschop, who was forced to play almost the entire game, because of the absence of Kenny Wilkes, the Gaters unleashed a terrific barrage of baskets to soundly whip the Wolves in the second game of the series and knotting the count at one all.

Behind 18-13 two minutes before the end of the first half, State started an unbelievable rally during which time they scored twenty-one straight points to go into a big lead, and they were never threatened.

De Bisschop, besides playing a great floor game, led the scorers with nineteen points, Bill Hammond tallied ten.

The contest of the previous evening was quite a different story, State taking an early advantage to lead 19-18 at the half, but the sparkling work of Leo Glusovich, Bob Robb, and Dick Colbus brought the Nevadans into a lead in the second period, and they were able to stall off the Gaters in the closing minutes. Billy Hammond was high point man for the evening with 12 digits.

State Drops Closing Cage Contest 53-38

Rippon Leads J.C. to Decisive Victory Over Gaters; Cy Atkinson in Last Game

San Francisco State's basketball season came to a rather unnappy ending Wednesday night at Kezar Pavilion when they dropped a high scoring contest to the San Francisco Junior College 53-38.

The Gaters were never in the game. The Rams opened up with a fury of baskets and free shots and were leading 9-0 before Notch De Bisschop tanked a field goal for State's initial score.

Paul Rippon, acting captain and forward for the Jaysee, was the big star of the evening. Besides playing a great floor game, he tanked twenty-one points to lead the point getters for the night.

The closest State ever came to getting into the lead was after seven minutes of play in the first half when the score was 13-8 against them. From then on, goals by Rippon and Jack Caine gave the Junior College an overwhelming lead which stood at 30-15 at the half.

Coach Dan Farmer switched his system to a man to man defense, but this failed as the players, unaccustomed to this style of play, were confused a great deal of the time. Cy Atkinson, although scoring sixteen points, had difficulty passing and handling the ball in general, while the whole team was severely handicapped by the loss of De Bisschop and Bill Plutte in the second period.

After the Jaysee had at one time led the Gaters by a 19-36 count, the Purple and Gold put on a desperate attempt to close the gap, bringing the tally up to 34-43. But the Conlan men were just too hot, and field goals by Rippon and Gus Kotta sent them away to a lop.sided victory.

A large number of State and Junior College students braved the storm to see the Gaters in their last appearance of the season. Almost 1,200 were present for the opening tipoff.

Cy Atkinson, playing his last game of his college career, as usual led the State scorers, but his floor game seemed hampered by the new style of play that the Gaters were using. Billy Hammond again was the most aggressive man on the court, but on numerous occasions, cinch goals would rim the hoop and drop out.

Junction Inn 100 Valencia Street

IMPORTANT NOTICES

Dr. Sherman L. Brown, Director of Practice Teaching and Professor of Education, will speak Friday noon, February 26, in room 109 on the topic "Education's Task in Developing an International Attitude". This meeting, sponsored by the International Relations Club, is open to the student body. Low Freshmen, Practice Teachers and members of Education 130 are especially invited to attend. This is the first of a series of addresses to the I. R. C. by faculty members.

* * *

Low Soph election will be held Friday, February 26 in the Student Body Office. Candidates for offices are: President, Tom Thorpe and Lee Carrothers; Vice President, Marcia Kunedt and Gwen Smith; Secretary-Treasurer, Frances Weinberger and Lee Scarlett; A. W. S., Peggy Clifford.

* * *

All applicants for degrees or credentials must file with the registrars office their applications. There are many who have not done this and it must be attended to before fees can be paid. March 8 is the deadline.

* * *

The summer session edition with full particiulars regarding the courses will be issued on Monday, March 8, a regular Golden Gater publication date.

EXEC. BOARD NOTES

Continued from Page 3

with Mr. Ferem regarding the matter.

Regarding the trophy case, a motion was made that we table the matter until we find out how many trophies we have. Motion failed. Mr. Mirande was asked to submit to Mr. Demeke a list of the trophies available for the case so that an estimate could be made regarding the size of the case.

Mr. Minear submitted tentative plans for the convention for High School students given by the Music Department and asked that the Student Body furnish a buffet supper for these students. A motion and second was made that the Student Body vote out enough money to give the dinner. The motion and its second were withdrawn. A motion was then made that the Student Body give a dinner for the students attending the convention. Motion passed.

Mr. Werchich submitted plans for a San Francisco State night at the Civic Auditorium. After a discussion a motion was made that we reject the plans submitted by Mr. Werchick. Motion passed.

A motion was made to have our next week's meeting on Wednesday night. Motion passed. Mr. Decker announced the mass rally at Galileo High on Tuesday, February 23.

There being no further business the meeting was adjourned at 9:25 p.m.

Respectfully submitted,
MARIAN IRWIN
Secretary.

Traditional Brawl Dance Held In Women's Gym

Following custom, the traditional Frosh Brawl was held last Friday afternoon followed in the evening by a dance given in the Women's Gym by the Associated Men Students to honor the incoming freshmen.

Although the brawl in the afternoon was characterized by bitter rivalry between the Frosh and the upper division men in such events as the joust, mud-fight, sack-race, and hand-to-hand struggles, the participants turned out for an evening of dancing.

According to the official scorers, the upper classmen were the winners of the brawl with a point rating of 3-2, having won two relay races and the football game, while the Frosh took the sack race and the tug-of-war.

After the brawl participants and spectators danced until midnight to the music of Joe Rosen and his band.

Because the Frosh lost the brawl, they will be required to wear jeans, although other rules of no smoking and no talking to women no longer apply.

Cary Grant says:
"a light smoke rates aces high with my throat"

"Luckies have been my cigarette for five years now. I rate them a 4 star cigarette. They're always good to the throat, and taste so much better than other cigarettes that it seems to me this 'Toasting' process is a swell idea. Yes, a light smoke like Luckies rates aces high with both my throat and taste."

Cary Grant

APPEARING IN THE NEW COLUMBIA PICTURE, "WHEN YOU'RE IN LOVE"

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Mr. Grant verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.

THE FINEST TOBACCOS—
"THE CREAM OF THE CROP"
